4-5 Life Lately at Our Home

8 Dates for the Diary & Feedback

Hello, from Sherin

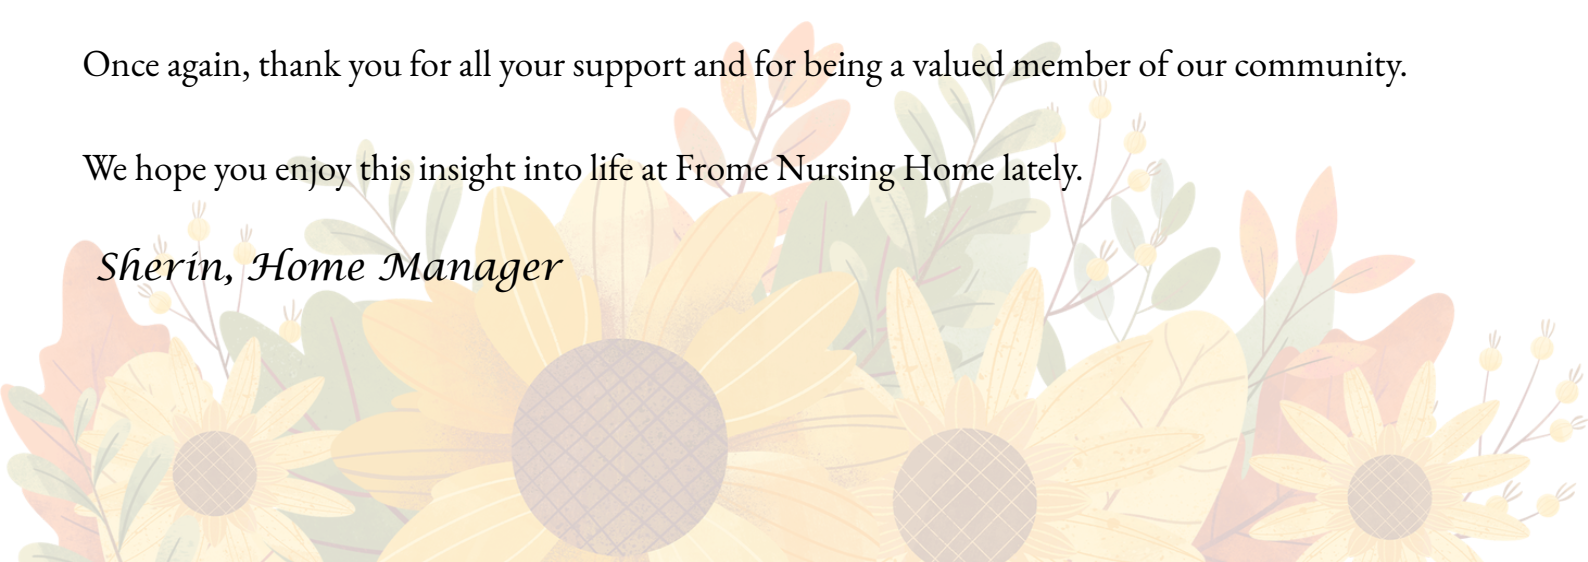

Welcome to the 7th edition of our newsletter. Myself and the team are excited to share what we've been up to these past few months. It has been a busy time for all of us, from celebrating birthdays, welcoming new team members, introducing a new menu and more.

Together we have enjoyed sharing smiles and chats in the sunny courtyards, keeping cool with endless bowls of ice-cream and singing & dancing along with our live entertainment.

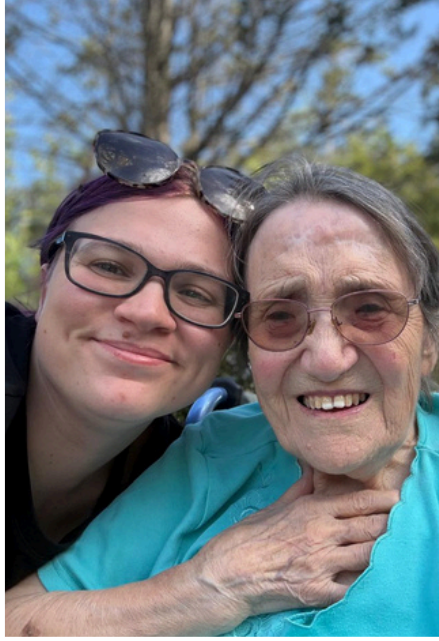

Once again, thank you for all your support and for being a valued member of our community.

We hope you enjoy this insight into life at Frome Nursing Home lately.

Life Lately At Our Home

Life at Frome Nursing Home has been busy lately!

The sun has been out in full force this summer, so we've been taking the opportunity to cool ourselves down with extra ice cream!

National Ice-cream day fell on a gorgeous, sunny Sunday this year and we took full advantage by offering all our family members a refreshing bowl of their choice topped with a chocolate flake. The team had so much fun decorating the trolley and seeing the look of surprise on our family members faces.

We've also been enjoying lots of garden tea parties. We invited all our family members to have tea, homemade cakes and various finger foods out in our courtyard area.

The family members loved seeing how we had decorated the outside tables. The music was on and the tea was flowing. The cakes went down a treat (pardon the pun) and we all enjoyed welcoming relatives to join us.

Some of the team are keen cricket players, so we made the most of the warm weather and our outside space to host our very own Woodlands vs Parsongae cricket match. Everyone who wanted to get involved did - whether that was by viewing, cheering, fielding or helping crown the winning team. Our family members loved spending time outside and some even coloured in posters to cheer on their team.

In the end Woodlands was victorious! Each member of the winning team wore their medal proudly!

We are very proud of the new additions to our already lovely home! The past few months have seen a brand new salon room take shape. Our family members have loved using the space to get their hair and nails done. Fit with nail polish, face masks, beard oils and hair styling tools - our new salon has quickly become a favourite space for our family members.

Additionally, we have been busy creating a bar in Woodlands! The team have had so much fun designing the space and figuring out how our family members will enjoy it most. Our favorite part has to be the personalised beer mats and coasters!

The WIK Game: Test Your Knowledge

Think you know care inside and out? Prove it!

Learning doesn't have to feel like learning, and that idea began during a family game night when Shrien and Eve saw how much fun everyone was having while playing a trivia card game. It sparked a thought - why not create something just as enjoyable for social care?

From that spark of inspiration, Evolve's WIK board game was born. WIK (world of inescapable knowledge) covers six areas for those working in care. It's a great way to continue testing your knowledge while enjoying a little friendly competition!

We have all played the WIK game during our training days at the Evolve Care Academy, with some of you walking away with cash prizes of up to £100! Now available on Moodle so you can regularly test your knowledge and beat your last score!

The leaderboard is where it gets competitive. Shrien and Eve created the game, but they are no longer top the leaderboard, let's keep it that way! Bravo to Ria Alden, who is currently Frome's highest scorer as we go to print. Well done, Ria!

Blue Light Discount£

Did you know that working in social care means you're eligible for a Blue Light Card? For £4.99, the card gives you two years' access to thousands of discounts across more than 13,000 retailers, including Jet2Holidays, Nike, Apple, Schuh and Hotels.com.

Whether you're planning a holiday, treating yourself to something new, heading out for a meal or simply doing the weekly shop, download the app and see what's up for grabs! Members can also access ticket ballots and launches for gigs, festivals, sporting events and attractions.

Mealtimes

Over the summer, we've been enjoying plenty of seasonal favourites from our summer menu, while also giving a little attention to the tables themselves. New plates, bowls, cups and napkins add a fresh touch to our tables, creating a homely setting where family members can enjoy their choice of food, conversation and time together.

Feedback

“

The home is very secure and residents seem to be happy. My mother is more cheerful and happier than she has been for a number of years and the staff are fantastic with the residents always tending to their needs and requests.

I find the staff are very kind and helpful to my sister-in-law, and she is quiet happy. We get a tea or coffee which you don't in some homes.

The team encourages his love of gardening. He has a greenhouse which he enjoys spending time in.
